This is Call For Papers for PACIS2019, the Pacific Asia Conference on Information Systems - the official AIS Region 3 Conference. PACIS is the main international Information Systems (IS) conference in the Pacific Asia Region. The primary purpose of PACIS is to enable regional and international Information Systems researchers and practitioners to meet in an annual forum that maximizes the opportunity for the exchange of information. The theme of PACIS2019 is *Secure ICT Platform for the 4th Industrial Revolution*.

All papers must be submitted electronically using the conferences online submission system which will be available soon at <http://www.pacis2019.org>. Submitted papers should not have been submitted for review, accepted for publication, or already published elsewhere. The official language of the conference is English.

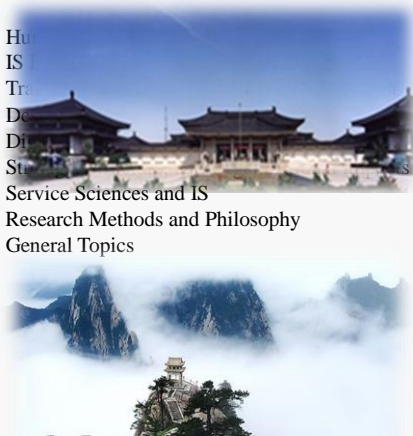

Accepted papers will appear in the conference proceedings provided that at least one author registers for and presents in the conference. High quality papers will be nominated for the best paper award and fast-tracked to participating journals.
